

30th March 2022: The first Social Entrepreneurship Development Program promoting health & hygiene for reduction of IMR & MMR was held at Dinjoy T.E. under the aegis of CSR project OIL Arogya implemented by Oil India Rural Development Society.

Sewing machines, raw materials & accessories were distributed to women beneficiaries. An awareness-cum-demonstration camp emphasised on producing [#community](#) based [#affordable](#) garments for mothers & newborn babies which is also an avenue for [#livelihood](#) of women.
