

OIL INDIA LIMITED
(A Government of India Enterprise)
P.O. Duliajan, Pin – 786602
Dist-Dibrugarh, Assam

**CORRIGENDUM NO. 1 dated 10.01.2024 to E-TENDER NO. CDO5292P24 –
“Rehabilitation/Repair Plan as per the findings of Integrity Assessment in Field
Pipeline Network of Oil India Limited in Assam.”**

This Corrigendum is issued to notify the following change:

1. Description of Services against **Line Item No. 240** of Schedule of Work, Unit and Quantity (SOQ) stands revised and to be read as under:

Supply of Heat Shrinkable Sleeve For 400 mm NB Pipeline:

Heat shrinkable wraparound sleeve shall consist of radiation cross-linked, thermally stabilized, ultraviolet resistant semi-rigid polyolefin backing with a uniform thickness of high shear strength thermoplastic / co-polymer hot melt adhesive. The joint coating system shall consist of a solvent free epoxy primer applied to the pipe surface prior to sleeve application. The backing shall be provided with suitable means (thermo-chrome paint, dimple, or other means) to indicate the desired heat during shrinking in field is attained. The sleeve shall be supplied in pre-cut sizes to suit the pipe diameter and the requirements of overlap. The heat shrinkable wraparound sleeve shall have the required adhesive properties when applied on various commercial pre-coating materials of reputed manufacturer.

All others terms and conditions of the Bid Document remain unchanged. Details can be viewed at www.oil-india.com.
